

About the Minnesota Sinfonia

The Minnesota Sinfonia is a professional chamber orchestra whose mission is to serve the musical and educational needs of the citizens of Minnesota, especially families with children, inner-city youth, seniors and those with limited financial means. The Sinfonia, which serves more than 25,000 residents each year, is the only professional orchestra of its kind, charging no admission to its concerts, welcoming children to every performance and dedicating over half its services to Music in the Schools, its K-6 outreach program. Founded in 1989 by Artistic Director Jay Fishman, the Minnesota Sinfonia is a non-profit 501(c)(3) organization supported by corporate, foundation and individual contributors.
