2017 SUMMER SCHEDULE

Did you know? The MN Sinfonia...

- Reaches 10,000 students each year at inner-city public schools with our exciting “**Music in the Schools**” program using music as a catalyst for learning core subjects—all at no charge to the schools or students,
- Performs amazing **FREE admission classical concerts** featuring internationally acclaimed soloists, and premieres new works by Minnesota-based composers,
- Introduces audiences to classical music through performing fun **FREE admission community family concerts** with a mix of movie music, Broadway show tunes, and popular classics,
- Provides opportunities for our region’s talented young musicians through our **Young Artist String Competition, Youth Outreach Week, and Young Composers Contest**, and
- Takes our educational and concert programs on the road, **touring** to outstate Minnesota communities that have limited access to the arts.

How do we do it? With the support of our community!

Amazingly, the Minnesota Sinfonia is able to offer FREE programs because of the incredible support received by more than 800 individual donors, family foundations, corporate sponsors, and a few government grants. More than 81% of every dollar supports our community concerts and educational programs.

Sinfonia’s mission is to serve the musical and educational needs of the citizens of Minnesota, especially families with children, inner-city youth, seniors and those with limited financial means. *Our sincere thanks to the following supporters who made Sinfonia programs possible this year, in part, through grants and in-kind donations:*
